PRESS RELEASE

GOLFBOARDS TO SURF THE FAIRWAYS OF RUNNING Y RANCH RESORT'S GOLF COURSE

June 6th, 2016

The Arnold Palmer Signature Golf Course at Running Y Ranch Resort, a full-service Southern Oregon resort, announced on May 25th, they would be purchasing four GolfBoards.

Running Y Ranch Resort is proud to announce we will be offering GolfBoards – named the ‘Best New Product for Golf’ at the 2014 PGA Merchandise Show, as of June 20th, 2016. This will make Running Y Ranch Resort the first course in the Klamath Basin to receive this intriguing new technology.

The GolfBoard has its roots in surfing and snowboarding. Built specifically for golf from the ground up, the GolfBoard is a four-wheel-drive, gear-driven, posi-traction golf transport vehicle. The user is always in full control of both the speed and direction of the board. The integrated thumb throttle controls the speed of the GolfBoard, while the user controls the direction through body movement. It is as intuitive to operate as it is fun to ride.

“We are extremely excited to offer the GolfBoard experience here at Running Y Ranch Resort. Adventure abounds around our resort, and we think GolfBoards will add an element of adventure to our award winning golf course. Our amazing terrain provides the ideal setting for all ages to surf the earth. – Greg Morton, Golf Course Superintendent of the Running Y Ranch Resort

On Monday June 27th, 2016 Running Y Ranch Resort will be offering a media exclusive demo day for the new GolfBoards. At 11AM media and press are encouraged to come watch the GolfBoards in action and try them firsthand. Media interested in attending the June 27th event or getting more information regarding this release should contact resort media spokesperson Victoria Haley. Media persons interested in testing the GolfBoards need to fill out the online waiver before being able to ride.

Golfers interested in using the GolfBoards must fill out a waiver on the website before being able to ride these thrill seeking machines. Along with the waiver, interested golfers can visit the website to learn more, and see videos of the GolfBoards in action. Visit- RunningY.com/golf/golfboards
